## Dead Drift Red Wine

### Red Blend

CALIFORNIA

---

### OUR STORY

Our winemakers, modern-day Buccaneers, explore the vineyards from ridge-top to valley floor in search of the ripest blocks to bring to the winery. After harvest they plunder the cellar to find the best of the lots to craft this dark, stormy, and mysterious wine. The Buccaneer is a rich, lusty wine that drinks well with hearty dishes and satisfies the thirst for adventure and exploration. Be the Buccaneer!
